

1001 Wellington Crescent

6,503 Sqft - 1001 Wellington Crescent, Winnipeg,
Manitoba

Property Description

Upscale living at its finest on Winnipeg's premier street - Wellington Cres.

Nestled along the scenic Assiniboine River surrounded by a towering Urban Forest, this magnificent home features over 6,500 sq ft of unsurpassed character, modern amenities, and impeccable style. With incredible living, dining, recreation, and entertaining areas this home will not disappoint.

Six bedrooms, four with their own en-suites, two executive style offices, bright open kitchen with high-end built-in appliances, large formal living and dining rooms and main floor family room. Spectacular sunroom/conservatory with soaring glass ceilings and multiple French doors leading to patios and rear river side endless yard space.

Upper level boasts delightful Juliette and full balconies off several of the rooms. Deluxe spa-like bathrooms, romantic master bedroom with vaulted beam ceiling with upscale walk-in closet leading to gorgeous en-suite with marble accents.

Remarkable basement development includes a large rec-room with bar, two games area, mirrored fitness room, bathroom, and storage areas.

Two attached heated and dry-walled double garages plus many more special features complete this luxurious grand mansion.
